

CUSTOMERCONNECT

MSA Customer Connect is a new program focused on customer retention and repeat business for service providers through automated, customized email marketing.

KEY BENEFITS

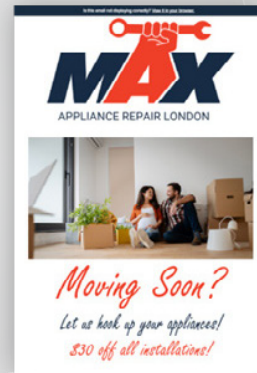

Uses existing field service software to seamlessly integrate data without additional effort on your end.

Fully automated and customizable email campaigns. You choose the ad - we'll do the rest.

Your customers will receive personalized offers and branding every quarter - and you can choose the delivery date!

QUARTERLY EMAIL SAMPLE

All content is provided. Simply choose the ad you want to send!
